**1.) 6:50 PM: TO CONSIDER THE EXTENSION OF THE CONSOLIDATED
SEWER DISTRICT IN CONJUNCTION WITH THE ROUTE 4 SEWER
EXTENSION PROJECT**

Presentation:

Rich LaBerge presented quick informational discussion on the North Greenbush Extension of the Consolidate Sewer District for Rt. 4 Sewer Extension Project. He explained the benefit of the project. Several people asked questions pertaining to the reason why not everyone was included in the project for Rt. 4.

Comments:

Comments were asked about why more residential parcels were not included in the Sewer Project. Furthermore, why Bell Top School wasn't included. The answers were received and explained about the money. The County's project had to add the Pump Station they needed to have for the project, which wasn't included in the original phase. The residents were told that this is only phase 1 and after completion there can be extension to the project. Bell Top, however, just had a new Septic System put in a few years ago and did not want or need to be added to the project.
