

Town of North Greenbush Summer Camp

Week 5 Newsletter, 2026

This week at a glance...

We had another fun week in the sun here at the Town of North Greenbush, with all sorts of trips, activities, and crafts!

We played many games in the field, including large games of capture the flag and kickball with all different campers! On Tuesday, grades 1-5 went to FunPlex Funpark for rounds of mini golf, racing on go-karts, and climbing Spider Mountain! The older campers got to enjoy painting mini tote bags with Kara!

While our Swim Across the Lake Day was postponed, all of camp rejoiced in swimming once again as our wonderful town employees made the beach ready for business!

On Thursday, grades 6-8 took a trip North to go White Water Rafting. It was a long day of hard work and raging rapids!

On Friday, we enjoyed our weekly Chick-fil-A lunches, all while playing all sorts of water games to beat the heat on Water Fun Day!

Coming Up Next Week...

We have one week left here at camp, and while we're sad to be nearing the end, we still have so much fun lined up! On Monday, we'll have our giant game of Jenga set up to play, while grades 6-8 swim across the lake with the guidance of our lifeguards! On Tuesday, the whole camp will be traveling to Zoom Flume Water Park! On Wednesday, we have a Reptile Show being presented, with our annual Family Night taking place that evening! Thursday is Tie Dye Day, so remember to bring a piece of white clothing to tie dye. Finally, we'll be celebrating our last day of camp with Ice Cream provided by the lovely Stewart's Shops!

MONDAY 10) Jumbo Jenga! 	TUESDAY 11) Zoom Flume (All Grades) 	WEDNESDAY 12) Reptile Show (Family Night) 	THURSDAY 13) Tie Dye Day! 	FRIDAY 14) Ice Cream Sundaes!
