

Town of North Greenbush Summer Camp

Week 5 Newsletter, 2025

This week at a glance...

We're nearing the end of our time at camp this summer, but we've still got plenty of fun happenings here at North Greenbush! This week, grades 1 through 5 went to the Get Air Trampoline Park for the first time!

On Wednesday, campers in grades 6-8 were able to join us in swimming across the lake, a favorite tradition of ours, with assistance from our wonderful lifeguards!

Thursday, our older campers got the chance to go to the Adirondack Extreme Adventure Course to

experience some awesome ropes courses and ziplines!

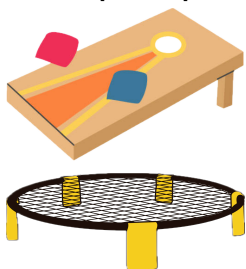

We ended this week with Water Fun Day, including a Dunk Tank for our counselors and directors! Campers had a blast with water balloons and other fun games!

Coming Up Next Week...

Week 6 is coming up as camp comes to a close. On Monday, we hope everyone brings their A-game as we compete in various field games! Tuesday The **ENTIRE** camp is going to Zoom Flume Water Park. If your camper will not be going on the trip you will need to make alternate arrangements for the day. This trip is always a highlight for many of the campers so we hope to see you all there! Wednesday night will be our annual Family Night gathering. We invite campers and families to join us at 6 PM at the lake for some pizza and a good time! On Thursday, grades 1 through 4 will be returning to Funplex to make up for the rain out last week! And finally, Friday we finish off the Summer with a build your own sundae party as we celebrate another successful year at Snyders. We're very excited for this week and we're looking forward to seeing your campers for one last great week!
