

Town of North Greenbush Summer Camp

Week 6 Newsletter, 2025

This week at a glance...

We've reached the end of our time here at the Town of North Greenbush Summer Camp for 2025! We're sad that it's over, but so glad for all the fun things we did this summer!

This week, we played a lot of field games and sports, including volleyball, capture the flag, spikeball, and more! We also made tie-dye and got ice cream for the last day of camp!

On Tuesday, our whole camp took a field trip to Zoom Flume Water Park for fun on all of the waterslides and in the wave pool! We even made it to FunPlex with some good weather!

Unfortunately, a nasty storm prevented us from hold our annual Family Night 😞. Be sure to check out the slideshow of our favorite moments from camp on Instagram and Facebook for pictures that didn't make the Newsletters!

Wrapping Things Up...

We at the Town of North Greenbush Summer Camp would like to thank everyone for their understanding and cooperation throughout the summer. We are so grateful we had the chance to spend these 6 weeks with your campers and we can't wait for next year! This year we had the addition of our completed building and park and it proved to be a big success. In the coming years, we hope to design even more fun activities, events, and games that make use of our amazing space! We hope everyone enjoys the rest of the summer and that our campers have a wonderful school year!

As Always, please contact us with any questions!
